

Dear Community Partner:

**Would you donate to help feed a family in the community?** The Sunshine Division is hosting its sixth-annual spring fundraiser, SHINE! on May 18, 2017. This year, we are featuring a silent auction to help raise funds for hungry children, seniors, and veterans in our community. Would you be willing to donate? Your donation would be recognized in event signage as well as a thank you on our social media channels before and after the event.

Since 1923, the Portland Police Bureau Sunshine Division has been providing free emergency food and clothing relief to Portland families and individuals in need. Whether due to the loss of a job, domestic crime, illness, or victims of fire or disaster, the Sunshine Division has built a 94-year legacy of mobilizing quickly and efficiently to assist distressed Portlanders. In addition to our nine decade tradition of delivering holiday food boxes every December, we also offer emergency food assistance six days a week at our North Portland warehouse. Through our unique partnership with the Portland Police Bureau who store food boxes at each police precinct, food is delivered year round by officers to members of our community in a time of crisis. In addition to food relief, we also offer new and gently-used clothing at our North Portland facility and provide over a million pounds of bulk food and clothing to more than 20 metro area non-profits throughout the year at no cost to these agencies.

I hope that you will consider donating to our fundraiser as the Sunshine Division has more than doubled the amount of families we serve over the past three year and your support is needed now more than ever.

Sincerely,

Melissa Gittelman  
Volunteer and Development Coordinator
